## **Meeting Happenings**

President Russ announced the October 28<sup>th</sup> meeting will be dark in the morning so that we can have our New Member and Spouses meeting, to introduce their families to our families. This meeting is for ALL of us and our significant others and spouses. There will be wine and no host cocktails and wonderful hors d'oeuvres. Please remind the spouse that they won't have to cook dinner! It will be here at Brookside at 6:00 p.m.

John Paval was AWOL for his COG duties when the District Governor visited us. This indiscretion cost him \$5.00.

Gary Long was absent last week due to a conference in Las Vegas. Tough work these jeweler's have! And now he has to go all the way to Georgia to play at the Augusta National Golf Course. Freebie this week, but wait till President Russ gets you when you get back!

Ross Lockhart visited Carmel Highlands. No golf. Just hanging out with Shirley. \$35.

Somebody happened to notice a new VW Passat in the parking lot for the second week. John Paval's new one! \$35 please. Probably won't fill the tank these days.

Sharon Simas, representing Stockton Seaport Rotary Club announced the sad and sudden death of their president. She also introduced Milos Pavlovic, the Serbian student who is going to SJ Delta College. He was staying with Brian, who provided his lodging and support.

Some help has been offered by some of the Stockton Rotary Clubs, and our Board will consider some possible support for him at the next Board meeting. After graduation, Milos plans to study engineering at UC Berkeley.

Russ announced the next Board meeting is at his home Monday evening at 6:00 pm. They have also been asked to consider a request to transfer in from Bob Eustice.

## **Roger Storey, Deputy City Manager of the City of Stockton.**

Judith Buethe introduced our speaker who discussed the development of the General Development Plan for Stockton. This includes capital improvements, zoning laws, land use, fee schedules and also includes the unincorporated areas imbedded in the City limits.

The General Plan then goes to the Planning Commission for public input and adoption.

Thank you, Roger for the information.

Rich Tassano had the lucky ticket. He also didn't draw the other lucky ticket. Sorry, Rich. The pot is now at \$317.00!
