Meeting Happenings:

President Russ opened our meeting with the clank of the cowbell, once again. He is quite concerned as there has been no word from Mr. Bell. Surely, the least he could do is send a note!

Tim Rogan announced the birth of his twin girls. They are in neonatal intensive care and will be for quite a while, but are doing very well. Congratulations!

Our former member Julia Greene was present to invite us to visit the new Council of Government Regional Center at 555 East Weber Avenue, for an Off-site meeting April 13th. It will be at our regular meeting time.

Bob Fay announced our new fund raiser (a Seaport tradition) the Mystery Golf Trip will be September 30. Destination is...a mystery!! More info later.

Judith Buethe confirmed 18 wineries, Valley Brew and Calaveras Olive Oil will be at the wine tasting.

Nancy Slatten handed out everyone's 20 tickets to sell. Don't forget to initial the return portion of the flyer so she'll be able to credit the proper Rotarian for the sale.

A sign-up list was sent around for all who don't have an official Wine Tasting shirt to allow new shirts to be ordered. If you didn't get to sign up and need one, please let Nancy know.

Linda Paul was elected to the Board of Directors of the Stockton Golf and Country Club. She is the first women to be elected in the 90 years of existence. A very big deal, and a bell ringer! Thank you for your generosity, Linda!

Gary Long was recognized for 10 years of Rotary service, and a trip to Atlanta Georgia.

Milosh Palovich, the International Student from Seaport and SJ Delta College joined us to thank our club for helping to support him in his time of need. Thank you for coming to share you successes with us.

Our Easter Basket delivery was as usual a very successful project. About 50 families received boxes of food. Our thanks to Brent Lesovsky, former SSR member and Alice Hirata for their help again this year.

Past District Governor Joe Serra introduced Jose Maria de Souza "Zecca", MD/Pharmacy and a 40 year Rotarian, and his Group Study Exchange group from Brazil, Lander Lucas and Veronica de Castro, architects, and Dirly Costa, an English teacher.

They spoke on the various areas they represent and what each area produces and manufactures. They include iron and

gold. They have two seasons. Very rainy winter and sort of rainy summer.

They are enjoying their visit to District 5220 and have learned many things about our area, and thanked all for the hospitality shown to them.

THE FOUR WAY TEST

Of all the things we think, say or do:

- * Is it the **Truth**?
- * Is it **Fair** to all concerned?
- * Will it build **Good Will** and **Better Friendships**?
- * Will it be **Beneficial** to all concerned?
