ROTARY NEWS:

Kick Out Dinner:

Finally, we kicked out Russ-Boy was that a long time coming!! At the kick out dinner, he was roasted by a few members, presented with a plaque (that is probably in his Good Will pile already) and handed over the bell to John. I'm surprised that Russ even had a bell to give to John! But in all seriousness, thank you to Russ for his leadership over the past year.

Now, we have John Dierking as our fearless leader. He laid down the law at the kick-out dinner. Boy is this going to be a long year...we actually have RULES! Yes, I said RULES! Rule #1: No cell phones at the meetings. If your phone rings, be prepared to buy a new phone. Rule #2: You better know the 4-Way Test. (or at least be able to recite it by reading this newsletter). Rule #3: Wear your Rotary pin. Finally, Rule #4: No stealing the bell. As we all know, rules are made to be broken. One bell down, one to go. It is only time John!

Thank you to Ross for setting up the wonderful

dinner at Angelina's. The food and company were great!

July 6th Meeting:

John's first official meeting started with an explanation of the joke with the cell phone. In case you still don't know, it was a joke... Ross still has a cell phone that has not been swimming in a water pitcher!

John B. and Frank were presented with pictures of the Trivia Bee. They particularly wanted to thank Tom H., their "Wine Wench", for making the evening much more enjoyable.

President John received a letter from "Belle". He did not think that it was a big deal to lose the old bell because he still has the new bell, but apparently Belle is quite upset!

Sheldon, as part of his mid-life crisis, bought a Harley. He received a \$60 fine. \$100 fine to Bob M. for having a son who's baseball team won the District Championships. His son played a key role in the win! John Boisa has been married for 9 years now. He received a \$9 fine.
