Meeting Happenings

President Russ announced J.P. Badel will not be able to come back as a member due to time constraints of his job.

Perry Johnson introduced David Gibbs, UOP Computer Science Dept. who is becoming our third new member. Welcome David! Barney Kramer is *especially* happy you joined!

Jim Cumming presented Rich Gohlke with his Paul Harris pin, etc. Congrats, Rich! Way to go! His Rotary minute today was on youth working for peace. Education in schools.

President Russ said DG Nick Mascitelli said John Dierking's website is great. He said we need to get a dentist, sheriff and fire department members in our club. Go to work on those you know.

Gary Baughman confessed to his 34th anniversary in August. He was out of state in

Branson MO. He is the President of the national organization named after the first orthodontist (whose name I didn't write down). A two-year stint., Congrats, Gary! And thank you for the bell ringer.

Rex Inglis had a substantial birthday, \$29. Mike Robinson also had one, but not a big deal, since he had to cook.\$25. (Both Rex and Mike have 9/22 birthdays.)

Bill Burch was fined \$10 because Pres. Russ didn't get any deer. Bill got them all.

Jennifer was recognize on the District website. What's this about the Past Dist. Governor's boots?

Bob "Hopalong" Melrose came to the meeting complete with hat, scarf and horse! It seems he has no trouble sky diving, scuba diving, etc, but cannot sit on a horse in Yosemite! Before the horse even moved, the saddle fell and so did he! Oh! He also brought a sling which he'll be using for a long time. Heal soon, Bob.

President Russ had Patrice Genschorck give us her news. She brought as her guest her husband, Jerry. They'll be moving to Spokane, which is a bit too far to commute for the meetings. Jerry will keep part of his business here, so she'll come visit us when she can. We'll miss you, Patrice! Catch us on our website!

THE FOUR WAY TEST

Of all the things we think, say or do
* Is it the **Truth**?
* Is it **Fair** to all concerned?
* Will it build **Good Will** and **Better Friendship**?
* Will it be **Beneficial** to all concerned?

Frances Dixon, “Adopt-A-Village in Guatemala, Inc.” Rotary Project

Mel Hansen of North Stockton Rotary introduced Frances Dixon, from Bonita Springs, Florida as today's speaker.

Ms. Dixon showed slides of the people and their plight, and showed how they brought water to them as they had no clean water to drink. The Guatemalan people all worked very hard with the Rotarians to complete the projects. They also helped build housing as theirs didn't make it through their many months of poor weather. There are only three months of decent weather and bad roads to their settlements.

She and many other Rotarians from the US and Canada have made many improvements to the Mayans and have brought medical and dental help to them, also.

Very inspiring talk, Frances! Thank you!
