## **Meeting Happenings:**

President Russ opened the meeting with his "very-well-secured bell". Gary Long introduced Dan Arnold, his friend from Reno, and Ed Van Vranken came to visit and brought his son -in-law Tom McGurk as his guest.

Nancy Slatten filled in for Lois Lang and reminded everyone to bring their old glasses, spectacles, not beer and wine glasses, to donate. Also, two people were needed for the 19<sup>th</sup>, Saturday, to continue painting at Rotary House. John Paval was "railroaded" by Nancy. Thanks, John!

President Russ decided to give President Elect John Dierking a taste of power, and a bit of practice, and turned the meeting over to him to finish. Is that fair??

President-Elect John wasn't allowed to touch the bell, though. John handed out the annual form for all to fill out for our pledges to the Club for his term. Did you do it?? If not, please do! John and Gary Long (actually, Kim) need them for their records.

Judith Buethe was recognized for a letter to the editor of the Record regarding Kaiser's "Celebration of Women's Wellness Conference" It was a huge success as always. (She does a fabulous job!) She got a pass on the fine.

Mike Robinson was quoted in The Record again. He went to Sacramento to the Assembly in regards to the flood, and let them know a bit about life in the Delta and levee problems. Thanks, Mike!

Sandy Smith gave a bird report. They are all tired of company, and once again enjoying their privacy.

Russ Stoddart, our lazy president, passed out flyers on his new "Classified Advertising Solution" MiniMerchant.com. Shame, shame, Russ. \$50 for your blatant ad!

President-Elect John panicked the Club by asking for a "pin check". Whew! It was only a warning of what is to come in his term! Nancy said she would bring some of the extras she has stashed in her car's ashtray.

The sign-up sheet was passed again for Russ' Kick Out dinner at Angelina's next week. 6:00 p.m. cocktails/social hour. Dinner at 7:00?

Our speaker for the day was Gary Nightengale, Curator of Education, San Joaquin County Historical Society. After thanking us for our "very generous grant"

he told us the Museum hosts twenty to forty children on site up to 160 days per year. Docents give classes in the one-room school house, and they "teach" as children were taught during the 1800-early 1900s. The children's teachers are not allowed in the classroom during this period.

They also learn how the farmers and ranchers worked their lands and what equipment they used. Thanks, Gary, for joining us.

## **COG LIST**

## **THE FOUR WAY TEST**

Of all the things we think, say or do:  
\* Is it the **Truth**?  
\* Is it **Fair** to all concerned?  
\* Will it build **Good Will** and **Better Friendships**?  
\* Will it be **Beneficial** to all concerned?
